Government taxes, levies, etc. applicable as per the prevailing rates will be extra.

These Service Charges are subject to change as per Bank's policies.

Home loan relationship calculation: Outstanding home loan amount \geq 1.5 crore at calendar quarter end.

Deductions by Foreign Banks – The outward remittance of funds may/ will involve the engagement with foreign Bank/s. Users should therefore note that the foreign bank(s) involved in routing of the transaction, may deduct their charges from the amount of remittance, as per applicable rules and regulations of the respective country/ bank, excluding transactions processed under Full value facility. In such a situation, the beneficiary may not get the full amount remitted from India. Deutsche Bank AG does not have any control on such deductions. The user is advised to check with the beneficiary in advance of applicable charges in the destination/routing country(ies)/ bank(s) and keep adequate margin in the amount of remittance to ensure the required amount reaches the beneficiary.

Deutsche Bank AG, India ("Bank") is only a distributor of third party investment/ insurance products and not an advisor in offering investment/ insurance advice and any information contained in this brochure or otherwise communicated by the Bank shall not be construed as investment or insurance advice. All decisions to purchase or sell units/ securities/ insurance policy shall be on the basis of the personal judgement of the customer arrived at after due consideration and after understanding the risk factors associated with their chosen investments carefully and consulting their own independent advisor prior to making any investment decisions. The Bank does not in any manner guarantee any returns on any investment or insurance products. All investments are subject to market risks and there is no assurance or a guarantee that the objectives of any investment schemes will be achieved. Information concerning past performance is not necessary a guide to future performance. This brochure should not form the basis of any investment decision by customers. The recommended asset allocation herein is as per your inputs in the risk profiling questionnaire. The recommendation may change from time to time without prior notice. The recommendation assumes that factors affecting your risk profile have not changed. In case of any change, we suggest that you should contact your relationship manager and re-assess your risk profile using the tools available with the Bank. The opinions, expectations and other information herein is based on certain assumptions and projections which may not be entirely accurate and accordingly the analysis may not accurately reflect the financial status, needs or risk ability of the customer. The Bank does not guarantee or make any representation, express or implied, with respect to the fairness, correctness, accuracy, adequacy, quality, efficacy, reliability, reasonableness, viability for any particular purpose or completeness of any information herein and is not responsible for any errors or omissions in or for results obtained from the use of such information.

With effect from April 1, 2015: In line with RBI guidelines (RBI Circular no DBR.Dir.BC.No.47/13.03.00/2014-15), customers who have not maintained the required balance threshold for a quarter across both Assets Under Management (AUM) and Average Quarterly balances (AQB) would be sent an intimation of the same on their mobile number or email address or physical address as registered with the Bank, at the end of the cycle. The quarterly balances across both AUM and AQB would then be reviewed post a month of the charge cycle, and in the event of non – maintenance again, service fee would be applied as a percentage of the shortfall observed in the actual AQB maintained from the required threshold of AQB or actual AUM maintained from the required threshold of AUM whichever is lower. It will be the responsibility of the customer to have a valid e-mail ID, mobile number and address updated with the Bank at all times, failing which, customer may not receive the notification(s).

For example, Calendar Quarter Q1 (January – February – March) Requirement: AUM ₹1.5 lakh or AQB ₹1 lakh with a flat charge of ₹1,500 AUM / AQB will be checked for Q1 in April. In case client has not maintained the requisite balances, communication will be sent giving 1 months' notice i.e. April. Post one month's period, AQB / AUM will be recalculated for February – March – April in May. In case client does not maintain either AUM or AQB i.e. AUM is ₹1.2 lakh and AQB is ₹50,000, the shortfall for both AUM and AQB will be calculated i.e. $\frac{AUM}{1.5 \text{ lakh}} = \frac{1.2 \text{ lakh}}{1.5 \text{ lakh}} = 80\%$ i.e. shortfall of 20% and $\frac{AQB}{50,000} = \frac{1 \text{ lakh}}{50,000} = 50\%$ i.e. shortfall of 50%. Lower shortfall is observed in AUM i.e. 20% hence the charges will be levied basis the AUM shortfall i.e. Charge will be $₹1500 \times 20\% = ₹300$.
