

How To Open Demat Account

Step 1: You will first need to find a Depository Participant that offers Demat Accounts.

Step 2: Once you have chosen a DP, you will need to complete the account opening application form and submit it with the necessary documents. This includes photo identity proofs such as PAN card (**Mandatory**) and address proofs, such as a passport, driving license, voter ID and utility bills.

Step 3: You will also need to provide other information, such as your Bank details, PAN card number, CVL KRA (KYC Registered Agency) & CKYC confirmation number along with a cancelled cheque.

Step 4: Once the documents are validated and your account opening request is approved, DP will activate your Demat Account.
