Deductions by Foreign Banks – The outward remittance of funds may/ will involve the engagement with foreign Bank/s. Users should therefore note that the foreign bank(s) involved in routing of the transaction, may deduct their charges from the amount of remittance, as per applicable rules and regulations of the respective country/ bank, excluding transactions processed under Full value facility. In such a situation, the beneficiary may not get the full amount remitted from India. Deutsche Bank AG does not have any control on such deductions. The user is advised to check with the beneficiary in advance of applicable charges in the destination/ routing country(ies)/ bank(s) and keep adequate margin in the amount of remittance to ensure the required amount reaches the beneficiary.

With effect from April 01, 2015: In line with RBI guidelines (RBI Circular no DBR.Dir.BC.No.47/13.03.00/2014-15), customers who have not maintained the required balance threshold for a quarter across both Assets Under Management (AUM) and Average Quarterly balances (AQB) would be sent an intimation of the same on their mobile number or email address or physical address as registered with the Bank, at the end of the cycle. The quarterly balances across both AUM and AQB would then be reviewed post a month of the charge cycle, and in the event of non–maintenance again, service fee would be applied as a percentage of the shortfall observed in the actual AQB maintained from the required threshold of AQB or actual AUM maintained from the required threshold of AUM whichever is lower. It will be the responsibility of the customer to have a valid e-mail ID, mobile number and address updated with the Bank at all times, failing which, customer may not receive the notification(s).

For example, Calendar Quarter Q1 (January – February – March) Requirement: AUM Rs. 150,000 OR AQB Rs. 75,000 with a flat charge of Rs. 1,200 AUM/ AQB will be checked for Q1 in April. Incase client has not maintained the requisite balances, communication will be sent giving 1 month’s notice i.e. April Post one month’s period, AQB / AUM will be recalculated for February – March – April in May. Incase client does not maintain either AUM or AQB i.e. AUM is Rs. 120,000 and AQB is Rs. 37,500, the shortfall for both AUM and AQB will be calculated i.e. AUM 120,000/ 150,000 = 80% i.e. shortfall of 20% and AQB 37,500/ 75,000 = 50% i.e. shortfall of 50%. Lower shortfall is observed in AUM i.e. 20% hence the charges will be levied basis the AUM shortfall i.e. Charge will be Rs. 1,200 X 20% = Rs. 240.
